The Hospital Buildings were presented by Thomas Watson, Esq J.P.  
of Horse Carrs, on the 12th of February, 1883, and  
Enlarged by Public Subscriptions, 1897, 1906, and 1912

---

ROCHDALE:  
Ormerods Ltd., General Printers, Hanging Road Mill

1932

CONSIDERABLE difficulty is very frequently experienced by Patients in obtaining the necessary recommends. A large number of recommends are in the hands of Subscribers to whom, it is believed, very few applications are made for them, and they are therefore unused. The Committee would be glad if such Subscribers would send any recommends they can spare to the Secretary, the Infirmary, Rochdale, who will see that a proper use is made of recommends entrusted to him.

Subscribers are reminded that Subscriptions may be paid either to the Secretary or to the Williams Deacons Bank Ltd., to the credit of the Institution.

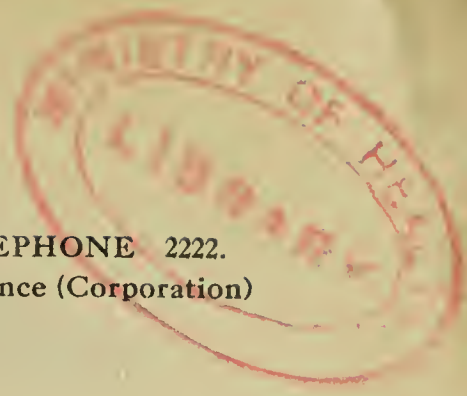

*All persons who may be disposed to contribute by Will to the Charity are requested to do so in the following manner.*

I give and bequeath to A. B. and C. D. the sum of \_\_\_\_\_ upon trust, and direct that they pay the same to the Treasurer for the time being of the Rochdale Infirmary and Dispensary, and desire that it may be applied to the charitable uses of the said Infirmary and Dispensary.

# Proceedings of the Annual Meeting of Governors

*Held in the Board Room at the Infirmary on Wednesday Evening,  
January 23rd, 1935.*

MR. SUTCLIFFE ORMEROD

(The President)

IN THE CHAIR.

*The Reports and Statements of Accounts for the year having been read  
to the Meeting.*

IT WAS RESOLVED—

That the Reports with the Statements of Accounts (now read)  
be adopted, printed and circulated.

That the thanks of the meeting be presented to the President,  
Hon. Treasurer and Hon. Secretary, and the Hon. Surgeons for  
their services during the past year.

That Mr. Sutcliffe Ormerod be elected President for the ensuing  
year.

That Alderman William Davidson, J.P., be elected Hon.  
Secretary for the ensuing year.

That Mr. J. H. Booth be elected Hon. Treasurer for the  
ensuing year.

That the following, along with the Honorary Officers of the  
Institution, be the Board of Management for the year ensuing :—

Mr. J. O. Bloomer.	Mr. F. Marsh.
„ A. Butterworth.	„ T. E. Mitchell.
„ J. B. Clegg.	„ W. Taylor.
„ G. L. Collins.	Mrs. S. Turner.
„ J. Coneys.	Mrs. L. Tweedale.
„ Geo. Hawkyard.	Mr. J. N. Walsh.
„ S. Heap.	„ R. Watson.
„ R. T. Holt.	Miss Watson.
„ J. E. Kay.	Mr. A. H. Winterburn.
Coun. T. Elvyn Kershaw, J.P.	„ T. W. Woffinden, J.P.
Mr. W. H. Kershaw.	

That Messrs. Walter S. Lewis & Sons be appointed Auditors for  
the year ensuing.

## ROCHDALE INFIRMARY

## ANNUAL REPORT

For the year ending 31st December, 1934.

*To the Governors and Subscribers.*

The Board of Management has pleasure in submitting its Annual Report upon the work of the Institution for the past year, together with the audited statements of accounts.

The year's work.

	1934.	1933.
IN-PATIENTS.		
Remaining in the House January 1st. ...	68	73
Admitted—Men.....	709	729
Women .....	872	914
Children .....	516	564
	—2,097—	—2,207—
	<u>2,165</u>	<u>2,280</u>
General operations .....	1,343	1,455
Ophthalmic operations .....	74	78
Average number of beds daily occupied.	83.28	86.97
Deaths .....	116	118

Of the 116 deaths, 40 took place within 24 hours of admission, and 20 under 48 hours of admission.

## PATHOLOGICAL WORK.

During the year 463 examinations have been made.

## OPHTHALMIC DEPARTMENT.

Number of cases treated .....	504 ...	418
Number of attendances .....	2,021 ...	2,241

## OUT-PATIENTS.

Casualties .....	3,494 ...	3,504
Attendances at Casualty department ...	10,854 ...	10,492

## X-RAY DEPARTMENT.

	1934.	1933.
New cases for treatment .....	80	54
Treatments.....	1,612	1,035
Patients for photographs .....	3,428	3,025
Photographs taken.....	6,884	5,904
Bismuth examinations .....	444	378
Screenings.....	213	203

## ELECTRO MASSAGE DEPARTMENT.

Admissions .....	843	819
Massage treatments .....	12,363	11,576
Electrical treatments .....	9,995	8,342
Artificial sun-light treatments .....	11,425	11,703

## TONSIL AND ADENOID TREATMENT.

The Rochdale Education Authority have sent 68 cases for this treatment, compared with 76 such cases in 1933.

We continue to work in co-operation with the Memorial Home for Crippled Children, and during this year 16 of these patients have been admitted for operation.

The treatment of patients with Radium continues to grow, and for the year 96 cases have received treatment compared with 69 in the previous year.

## MOTOR ACCIDENTS.

An increased number of motor accidents have received treatment at the Hospital, and no fewer than 117 have been dealt with as In-patients, (there were 70 in 1933) and in addition 78 were treated in the Casualty department. Recent legislation has made it possible for the Hospital to be more successful in pursuing claims for the cost of treatment of these cases and during the year the receipts from this source amounted to £288. This however, by no means meets the actual cost incurred in treating motor accident cases, and it is hoped that even yet, more may be done to recognise the claims of the Hospitals.

## FINANCES.

The customary statements of the accounts, together with the corresponding figures for the preceding year are appended.

The total ordinary income for the year is	...	£14,305
The figure for 1933 was	... ..	£14,606

shewing a decrease of £301. The annual subscriptions shew a further falling off of £28. The Board are hopeful that during the year new names will be added to the subscription list to compensate for this loss of income.

It is pleasing to note that the revenue from the Workpeoples' Penny a week Collection shews a further slight increase. Donations also shew an increase, and a welcome feature is that many of our patients shew their appreciation in a practical manner. The receipts from the Hospital Sunday collections remains the same as last year.

The total ordinary expenditure is	.....	...	£14,256
compared with in 1933	...	...	£13,559

an increase of £697.

Provisions and Surgery and Dispensary shew slight increases of £34 and £123 respectively, the latter being chiefly accounted for by the increased work in the X-Ray department. Salaries and Wages are up by £300, but most other items on this side of the balance sheet remain at about an average figure.

The Board again have much pleasure in acknowledging the following special donations :—

	£	s.	d.
Miss Gracie Fields Charity Week Committee.....	295	0	0
Rochdale Chamber of Trade .....	251	9	2
Rochdale Hornets Football Club .....	136	12	2
Mrs. Emily Lord .....	100	0	0
Rochdale County Police Sports .....	60	0	0
Turner Bros. Asbestos Co. Recreation Club.....	18	12	9

The following legacies have also been received :—

	£	s.	d.
Exors. of Robt. Slack .....	1000	0	0
Exors. W. T. Holt .....	1305	6	7
Exors. Miss Annie Sharp .....	45	0	0
Exors. James Farrow .....	5	0	0
Exors. Mrs. Jane Mills .....	100	0	0
Exors. Miss Priscilla Hoyle .....	77	14	1

The Board would again take this opportunity of expressing their thanks to all who have so generously responded to the various appeals made during the year. The Rochdale Chamber of Trade, Rochdale Hornets Football Club, and the Rochdale County Police Sports Committee again made their annual efforts, and the cordial appreciation of the Board is extended to the Committees of these organisations for their continued interest in the welfare of the Hospital. To the Infirmary Workpeople's Committee, the Board also tender their warmest thanks.

### MISS GRACIE FIELDS.

Once again the Board have pleasure in expressing their deep sense of gratitude to Miss Gracie Fields for her splendid services to local charities. The total amount raised by Miss Fields during the week was £1,629, and the Infirmary has received a cheque from the Mayor amounting to £295—being the amount allocated by the Mayor's Committee to the Infirmary funds. The Board are very grateful to Miss Fields for her magnificent effort. During the week Miss Fields was in Rochdale the patients and staff were delighted to receive a visit from her. Her charming personality gave immense pleasure and enjoyment to all, and the afternoon is one which will be long remembered.

### FINANCE COMMITTEE.

At the last Annual meeting the formation of a Finance Committee to supervise the investments and the finances of the Institution generally was foreshadowed. The proposal has been adopted by the Board, and it is working admirably. The duties and responsibilities of the Finance Committee are regulated by Rules 44, 45, 45a.

### ALTERATION TO RULES.

The Board have had in mind for some time that it would be necessary to make some changes in the Rules, in order to bring the working of the Hospital into line with modern ideas.

One important alteration may be mentioned. It has been decided by the Board, with the full concurrence of the Trustees, to appoint the Infirmary Bankers, (Messrs. Williams Deacons Bank, Ltd.), Custodian Trustees. Except for the investments relating to the Holden Trust, the Custodian Trustees will be empowered to deal with all the real and leasehold properties, and all the investments belonging to the Institution in accordance with the instructions of the Board of Management.

### NEW X-RAY.

Acting on the advice of Prof. Morison of London, and Dr. Richardson, the Board have decided to instal a new X-Ray equipment, and the tender of the Victor X-Ray Corporation Ltd. has been accepted. The cost will be approximately £1,400. The Board is satisfied that the new apparatus is absolutely the best and most modern make procurable.

## STAFF.

We greatly regret to report the resignation of Dr. Dickson from the position of Hon. Surgeon. Dr. Dickson has a fine record of service to his credit, having been appointed to the Staff in 1907. During that long period, Dr. Dickson has rendered most valuable service, and we are greatly indebted to him. As provided for in the Rules, we are pleased to state that Dr. Dickson will take up the position of Hon. Consulting Surgeon, and he will have the privilege of attending and treating his own patients.

New appointments to the Staff will be made in the near future.

## OBITUARY.

During the year the Board have lost by death their colleague, Mr. Abm. Chadwick. Mr. Chadwick was President of the Infirmary 1909-10, and was one of the Senior members of the Board. He also acted as Treasurer of the Infirmary Workpeople's Committee for 35 years, and rendered most valuable service.

Mr. Logan has also passed away since the last Annual meeting. He was President in 1931, and was for many years connected with the Institution in one capacity or another.

These two gentlemen were valued and loyal friends to the Hospital, and will be greatly missed.

The Board also desire to pay tribute to the late Mrs. Crompton, who had been a member of the House Committee for nearly 12 months, and did useful work.

In conclusion the Board expresses its gratitude for the support given to the Infirmary during the year. It recognises the high esteem in which it is held by the public, and trust that even in the present difficult time, the necessary funds will be provided to enable it to keep abreast of the times. To the Honorary Medical Staff, the Resident Medical Staff, and the Matron and her Staff, the Board tender warmest thanks for their loyal co-operation in the working of the Hospital, and to the Clergy and Ministers, the Press, and all who have rendered service, the Board are deeply grateful.

*Reprinted from the ROCHDALE OBSERVER, January 26th, 1935.*

# ROCHDALE INFIRMARY.

---

## RECORD OF ANOTHER VALUABLE YEAR'S WORK.

---

## NEW PRESIDENT AND TREASURER APPOINTED.

---

## ALDERMAN DAVIDSON ON THE FINANCIAL POSITION.

---

Mr. S. Heap, the past year's president, was in the chair at the annual meeting of the governors of the Rochdale Infirmary held on Wednesday evening in the boardroom of the Institution. There was a moderate attendance. The annual meeting was preceded by a special meeting at which alterations to the rules were finally approved.

## THE ANNUAL REPORT.

---

The annual report was presented by Mr. W. Wynne.

## ALDERMAN DAVIDSON'S COMMENTS.

---

In moving the adoption of the report and accounts, Alderman Davidson, the honorary secretary, said the work of the Infirmary had been well maintained during the year. The statistics proved the great volume of work carried out year after year. The report referred to impending changes in the staff, and he thought it should be said that the relations between the Board and the medical staff had always been of the most cordial character. There had never been any friction and the demands the staff had made from time to time for special and improved equipment to carry on the work had always been met; they had never dealt with these matters in any niggardly spirit. It would be seen that they were going to instal a new X-ray apparatus. It was only a few years since the present installation was put in, but it was already out of date, and they felt they must have up-to-date plant. The new installation, they believed, would be the last word in X-ray equipment and the best that money could buy. They would appreciate the fact that in a surgical hospital a first class X-ray plant was essential. In a few years' time it would probably be superseded by an improved make, and in that case the Board would be found ready to do their part.

The resignation of Dr. Dickson had been accepted with very great regret. Twenty-eight years of unpaid service was a very fine record for any man to have to his credit, and during that long time Dr. Dickson had upheld the high traditions of his profession and had given service of a quality which money could not buy. The chief joy of the honorary medical staff at the Infirmary was doing all in their power for the service of others; the poorest and humblest of patients were as great a concern to these men as the patient to whom fees were of no account. Other changes, he was afraid, would be coming on, but he did not think they need fear that they would not be able to carry on as efficiently in the future as in the past.

### THE BANK AS TRUSTEE.

An important departure was the appointment of the bank as custodian trustees. This was a sound proposal; not only did it ensure permanency and continuity in the trustees, but absolute security as well. Individual trustees were all very well up to a point, but they left the district sometimes or resigned or died, and it was a very costly business to replace names in their documents. Their finances were in good order; they had been able to balance their budget, which was an achievement in these days. There was a further drop in their ordinary subscriptions, due, of course, to death and removals.

The fact was that apart from the very generous contribution they received from the penny-a-week scheme and the subscriptions from business people, together with the very substantial income from their investments, their ordinary subscriptions were confined to a very small number of people. That had been the case ever since he could remember. A large proportion of the people of Rochdale did not subscribe to the Infirmary or to any other charity. largely, he thought, because they were not asked. It was a very difficult thing to organise and a good deal of labour was involved, but he felt they had rather neglected this potential source of income, and he thought it was a matter the finance committee might very well take up. They had received a sum of £280 from Bacup, largely owing to the organising ability of Mr. R. Lord.

The main point on the expenditure side was an increase in salaries by £300. This was mainly due to the fact that the probationer nurses had had their salaries increased during the year, so as to bring them into line with the best paid hospitals in the country.

## MISS GRACIE FIELDS' CHARITY WEEK.

They were very grateful for the handsome donations and legacies that had been received during the year. Their revenue from investments might show a drop if the low interest rates continued to prevail for some years. The income was down £300 this year, but this reduction was more apparent than real ; they had been realising some investments and reinvesting in new securities, and in some cases the dividends had been included in the purchase price, whilst in others they had not drawn the full year's interest, and comparisons could not be made. The position would adjust itself next year ; it was not a real reduction.

The report very properly paid a tribute to Miss Fields, whose public spirit and love for her native town made her a great asset to Rochdale. They were very grateful for what she had done, and they also tendered grateful thanks to her for the happiness she gave to the Infirmary on her visit. They had lost very loyal friends of the institution in Mr. Chadwick, Mr. Logan and Mrs. Crompton, and he would also like to mention the death of Miss Watson, whose family had been connected with the Infirmary from its commencement. Concluding, Alderman Davidson paid a tribute to the staff, and said that judging from the number of letters received from grateful patients the work done was thoroughly appreciated by the patients and their friends.

## BROADENING THE ORGANISATION.

Mr. S. Heap, seconding, said the Infirmary had made progress during the twelve months. They had broadened their organisation, and he felt sure that would make for the future efficiency of the institution. It had been a great pleasure to him as president to know how efficiently the institution had been run, and that the efforts put forth were appreciated by the patients. It had been hoped that Dr. Richmond, J.P., would have been present to second that motion, but he was unavoidably absent.

The motion adopting the report and financial statement was carried unanimously.

Mr. J. O. Bloomer moved the thanks of the Board to the retiring president, the hon. treasurer, and the hon. medical officers. He referred to the excellent work done by the gentlemen mentioned, and their desire to secure the best interests of the institution. The figures quoted in the annual report showed that a very great amount of valuable work had been done there during the past twelve months.

Mr. W. Taylor seconded, and the motion was carried with much heartiness.

## THE NEW PRESIDENT.

Mr. R. T. Holt proposed Mr. Sutcliffe Ormerod as the president for the ensuing twelve months. Mr. Ormerod was well qualified for the position by reason of the loyalty he had always shown to the Infirmary and the time he had devoted to work on its behalf. Mr. Ormerod had been a member of the Workpeople's Committee for a long period, and during the past year that organisation had even been able to increase their contribution, notwithstanding the continued trade depression.

Mr. W. Stead, seconding, said that as one who had worked along with Mr. Ormerod on the Workpeople's Committee he knew the valuable work he had done. He would be well supported by that committee.

The motion was carried unanimously.

Mr. Ormerod was welcomed to the presidential chair by Mr. Heap, who assured him that he had a very happy year before him. He (Mr. Heap) during his presidential year had become more and more interested in the institution, and admired the way in which the Workpeople's Committee had worked on its behalf, and the excellent service rendered by the staff. Mr. Ormerod was greatly honoured in becoming president of that institution, and he (the speaker) hoped that he would have as happy a year of office as he had experienced.

Mr. Ormerod, returning thanks for his election, said the Workpeople's Committee had not during the past year been able to raise what they had hoped. When Alderman Davidson inaugurated the penny-a-week scheme the committee hoped they would have been able to raise eight or nine thousand pounds a year by this time, but owing to the long continued trade depression that hope had not been fulfilled. He thought they were not getting as large a measure of support from the tradesmen as they might. When one compared the number of cases dealt with in the Infirmary with the total amount of the expenditure it seemed to him that the institution was conducted very efficiently and economically. He would do all he could to make the coming year as successful as possible.

## THE OTHER OFFICERS.

Councillor T. E. Kershaw moved the re-election of Alderman Davidson as honorary secretary, and said the alderman had completed 29 years of faithful and efficient service for the Infirmary. Alderman Davidson always kept a watchful eye on the finances of the hospital, and one could go over a radius of miles from Rochdale without finding his equal as regarded the services he had rendered to the Infirmary and the town.

Mr. T. E. Mitchell seconded, and the motion was cordially carried.

Alderman Davidson, responding, thanked the members for that renewed mark of their confidence. He proposed that Mr. J. H. Booth, manager of the Rochdale branch of Williams Deacon's Bank, be appointed treasurer. That would follow very naturally the appointment of the bank as custodian trustees. He (Alderman Davidson) knew that Mr. Booth would take a very active interest in the Infirmary, with which the bank had been associated for 103 years.

Mr. J. E. Kay seconded, and the motion was carried unanimously.

Mr. Booth responded, and referred to the excellent manner in which the institution had been served by Alderman Davidson as honorary treasurer during the last ten years.

Mr. R. Lord of Bacup (secretary of the Bacup Borough Hospital Fund) moved that the Board of Management consist of the officers, together with the following :—

Governors' representatives : Mrs. S. Turner, Mrs. L. Tweedale, Miss Watson, Mr. G. L. Collins, Mr. S. Heap, Councillor T. E. Kershaw, Mr. R. T. Holt, Mr. T. E. Mitchell, Mr. J. N. Walsh and Mr. R. Watson.

Workpeople's representatives : Mr. J. B. Clegg, Mr. J. E. Kay, Mr. J. O. Bloomer, Mr. A. Butterworth, Mr. G. Hawkyard, Mr. J. Coneys, Mr. W. H. Kershaw, Mr. F. Marsh, Mr. W. Taylor and Mr. A. H. Winterburn.

Rochdale Equitable Pioneers' Society representative : Mr. T. W. Woffinden, J.P.

#### AN UNNECESSARY EXPENSE.

Mr. J. H. Waldron, seconding, urged that representations should be made to the Home Office as to the inconvenience of workpeople being sent out of Rochdale for X-ray examinations for asbestosis or silicosis, after being seen by the Home Office doctors. To send those workpeople out of town for such examinations was very unfair, both to them and to their employers. It entailed loss of wages and quite unnecessary expense, seeing that the Rochdale Infirmary had thoroughly up-to-date equipment.

Alderman Davidson said the Infirmary staff could and would be very willing to have those cases. He understood that the present arrangement was made "from London." Representations were made some time ago, but without result.

Mr. Waldron thought that if further representations were made the desired result would be attained.

The resolution appointing the Board of Management was passed.

On the motion of Mr. J. H. Booth, seconded by Mr. T. W. Woffinden, the meeting re-elected Messrs. W. S. Lewis and Son as the auditors.

A vote of thanks to the chairman was passed on the motion of Mr. J. B. Clegg, seconded by Mr. F. Marsh.

---

### REVISED RULES CONFIRMED.

---

### REFERENCES TO AN "OBSERVER" LETTER.

---

The annual meeting was preceded by a special meeting of the Governors to confirm the rules as recently revised. The revision meeting was reported in the "Observer" Mr. Sam Heap (the retiring president) was in the chair.

Mr. Heap suggested that there was no need to go through the new rules again, seeing that they had been taken in detail on two occasions. He invited questions and moved their adoption.

Mr. T. W. Woffinden, J.P., seconded.

Mr. R. Lord (secretary of the Bacup Borough Hospital Fund, from which grants are made to the Rochdale Infirmary) said the "price" of recommends for the Rochdale Infirmary was too low, being half that of those of two hospitals he could name. Some people would value the Infirmary more highly if recommends cost more. His real reason for mentioning the matter, however, was to get more money for the Infirmary.

Alderman Davidson (hon. secretary) replied that the recommends were to a large extent a matter of form. He did not think it would help the finances to make the alteration suggested. So long as the institution received proper support they did not want to exclude anyone.

Replying to a question from Miss Watson, Alderman Davidson said that at the last annual meeting it was decided to allocate six beds to paying patients, at from two and a half guineas per week. During the year they had only had eight patients of that description and the total amount they paid was £58. Several of them went there for radium treatment and that was one of the very few hospitals in Lancashire which could provide that treatment.

On a reference being made to a letter in Saturday's "Observer," criticising the revision of rules, the chairman remarked that reference was made in the letter to a remark of his about smooth running and efficiency. What he meant by the remark was that one could have an efficiently organised institution, but it did not follow that the institution as a whole was working smoothly and someone had to ensure the co-ordination which meant smooth working. Their honorary secretary (Alderman Davidson) had for years been doing that in a very tactful and careful way and it was because of that that their Infirmary ran so smoothly.

Alderman Davidson remarked that Mr. Harry Thornton, the writer of the letter in question, was a very good friend of the Infirmary and his object in writing the letter was to help and not to hinder the institution.

Councillor T. E. Kershaw, J.P., supported what the alderman had said about Mr. Thornton's zealous advocacy of the claims of the Infirmary on every possible occasion.

The revision of rules was unanimously confirmed.

## EDITORIAL NOTES.

### **The Infirmary Year.**

The returns presented at the annual meeting of governors of the Rochdale Infirmary on Wednesday show that last year there was a slight decrease of both in-patients and out-patients, though the attendances of the latter for treatment were substantially greater. Operations also showed a small reduction, and there were slightly fewer deaths. Of the fatal cases a third died within twenty-four hours of admission, and twenty within forty-eight hours, which points to the fact that they were in an extremely serious condition when they reached the Institution and that the chances of recovery were very slight. There appears to be a growing treatment by radium, and the work of the various other departments of the Infirmary is well maintained. New X-ray apparatus is being installed at a cost of £1,400, and it is clear that the Board of Management are determined to continue to keep the Institution both efficient and up to date. A further indication of the danger of our roads and thoroughfares is found in the increased number of motor accidents treated—117 in the in-patients' department, and 78 in the casualty department. A few years ago the complaint of hospital authorities was that these cases had to be treated at the entire cost of hospital funds, except in such cases as realised a financial obligation, and made a voluntary payment. Legislation now enables hospitals to make claims for treatment, and last year the Rochdale Infirmary received £288 on that score. But it was by no means equal to the actual cost, according to the report.

### **The Hospital Finances.**

Unfortunately the income of the Infirmary last year was down by £300, but this was more than balanced by reduction in expenditure. It is gratifying to find the grant from the Infirmary Workpeople's Committee, through the penny-a-week scheme, somewhat larger, showing that the workpeople of town and district increasingly recognise that the institution is largely one for their benefit. Another gratifying feature is the appreciation shown in a practical way by persons who have been treated in the Hospital, and it is pleasant to find the amicable relations which continue to exist between the management and the staff, both medical, honorary medical and nursing. After ten years in that capacity Alderman Davidson, to whose valuable services to the Institution during nearly thirty years of office repeated tributes were paid, relinquishes the honorary treasurership, and the post is taken by the Williams Deacon's Bank manager (Mr. J. H. Booth) on the bank being made custodian trustees. Alderman Davidson retains the honorary secretaryship, in which he has been a tower of strength to the Infirmary. A plea was made, with much force behind it, that workers seeking X-ray examination for asbestosis or silicosis should be allowed to go to the Infirmary for the tests instead of being sent to Manchester. There seems to be no reason why people should be put to this inconvenience when the Rochdale Infirmary contains all the facilities for the examinations to be made there. It seems to be a Home Office regulation which one would have thought would at once be modified when representations were made and it was shown that efficient equipment was available in Rochdale for the work.

## LADIES' COMMITTEE ANNUAL REPORT, 1934.

---

Four meetings have been held during the year with an average attendance of 14.

At the Annual meeting held on January 8th, 1934, the following officers were elected: President, Mrs. L. Tweedale; Hon. Treasurer, Miss Whipp; Hon. Secretary, Mrs. Frank Whipp; Hon. Secretary Linen League, Mrs. L. Tweedale.

Miss Emily Watson, Mrs. S. Turner and Mrs. L. Tweedale have been members of the Board and House Committee.

The Annual reception of the Linen League was held on May 7th, Mrs. S. Turner kindly giving the tea. There was a good attendance and £11 8s. 6d. was received and 228 articles of linen. The Committee desire to express their thanks to all those who so kindly contributed.

Two or three ladies have visited the wards weekly and nourishments have been supplied to patients on leaving the Infirmary. £12 18s. 0d. was subscribed to buy Xmas presents for the patients, staff and maids.

The Committee has suffered through the resignations of Miss A. Jones and Mrs. S. Heap, but has been fortunate in enrolling five new members.

ETHEL WHIPP,

Hon. Secretary.
